

Mannkal Conference Scholarship

...because ideas matter...

The Mannkal Foundation is seeking applications from current Western Australian university students to attend a week long conference in the US. The Foundation for Economic Education (FEE) is holding a summer seminar entitled Freedom University – Current Events.

This week long seminar offers an introductory, interdisciplinary, and comprehensive overview of the workings of a free society and boasts lectures on the hottest public policy issues from some of the most respected scholars in the liberty movement. Topics will include healthcare, housing booms and busts, and environmental policy.
