

History of Socialism from Marx to Obama: Yuri N. Maltsev

For those who are interested, here is a video of a speech made by Yuri Maltsev, on the history of socialism at the recent Mises Circle in Colorado Springs, Colorado, titled Traveling Down the Road to Serfdom: History of Socialism from Marx to Obama,:

It is only 33 minutes but it is very enlightening.

Maltsev was once a senior economic adviser to Mr. Gorbachev. He defected to the United States in 1989.

The lecture shows how insidious Marxism has become in penetrating a society. In Australia we are even more advanced as already, once secure private property rights are being withdrawn and all productive facilities slowly but surely being hobbled into bankruptcy.
