

## DIVORCE AGREEMENT

Dear Australian Laborites, leftists, social progressives, socialists, Marxists and Gillard, et al:

We have stuck together since the late 1950s for the sake of the kids, but the whole of this latest election process has made me realize that I want a divorce.

I know we tolerated each other for many years for the sake of future generations, but sadly, this relationship has clearly run its course.

Our two ideological sides of Australia cannot and will not ever agree on what is right for us all, so let's just end it on friendly terms.

We can smile and chalk it up to irreconcilable differences and go our own way.

Here is a model separation agreement:

Our two groups can equitably divide up the country by landmass each taking a similar portion.

That will be the difficult part, but I am sure our two sides can come to a friendly agreement.

After that, it should be relatively easy! Our respective representatives can effortlessly divide other assets since both sides have such distinct and disparate tastes.

We don't like redistributive taxes so you can keep them.

You are welcome to the labour judges and the CFMEU.

Since you hate guns and war, we'll take our firearms, the cops, and the military.

We'll take the nasty, smelly oil industry and you can go with wind, solar and biodiesel.

You can keep the ABC left wingers and Kerry O'Brien. You are, however, responsible for finding a bio-diesel vehicle big enough to move all of them.

We'll keep capitalism, greedy corporations, pharmaceutical companies, Woolworths and the Stock Exchange.

You can have your beloved lifelong welfare dwellers, food stamps, homeless, homeboys, hippies, druggies and illegal aliens.

We'll keep the budgie smuggling, bike riding, volunteer firemen and lifesavers greedy CEOs and rednecks.

You can also have the U.N. But we will no longer be paying the bill.

You can give everyone healthcare if you can find any practicing doctors.

We'll continue to believe healthcare is a luxury and not a right.

We'll keep "Waltzing Matilda" and "The National Anthem." I'm sure you'll be happy to substitute "Imagine", "I'd Like to Teach the World to Sing", "Kum Ba Ya" or "We Are the World".

We'll practice trickle down economics and you can continue to give trickle up poverty your best shot.

Since it often so offends you, we'll keep our history, our name and our flag.

Would you agree to this?

If so, please pass it along to other like-minded liberal and conservative patriots and if you do not agree, just hit delete.

In the spirit of friendly parting, I'll bet you answer which one of us will need whose help in 15 years.

Sincerely,  
John J. Wall
